Excellence in the provision of care

The SCA Best of Care Awards recognise and celebrate best practice and excellence in the provision of Spiritual Care and raise awareness of best practice within the Spiritual Care sector.

Spiritual care practitioners play a significant role in providing quality holistic care in many institutions such as hospitals, aged care services, prisons, disability services, and in local communities.

The Best of Care Awards provides an opportunity to nominate an individual or a team for their contribution to spiritual care practice.

Nominations can be made in two categories:

Outstanding Spiritual Care Practitioner

Outstanding Spiritual Care Team

Nominations close March 30, 2019

Award presentations will be made at the SCA National Conference, Melbourne, in June 2019.
