

# CENNZ Conference awards

## Conference abstract award

### Purpose:

To showcase contributions to emergency nursing education, practice and research through a CENNZ conference presentation

### Inclusion criteria:

Any presentation abstract submitted and accepted for any oral presentation format by attendees for the current CENNZ conference

### Exclusion criteria:

Abstracts of presentations to other conferences and not presented at this CENNZ conference

### Application:

1. Submit a Word version (.doc or .docx) of the abstract via the [conference organiser](#), plus
2. Submit a PowerPoint version of the presentation to the [conference organiser](#) to use during the conference and to show on the CENNZ website – unless if deemed unsuitable by the presenter

### Award decision:

The conference organising team will review all submissions and the award will be decided according to any of the following:

- Quality of subject
- Quality of write up
- Opportunity to make a difference to patients
- Opportunity to make a difference to the family and whānau
- Opportunity to make a difference to the ED team

### Award:

Determined by the conference organising committee
