

CENNZ Conference awards

Poster abstract award

Purpose:

To showcase posters developed through the year to teach or enhance care provision, informing readers of changes and opportunities to develop practice

Inclusion criteria:

Posters created either:

- for this CENNZ conference, or
- for any other quality improvement event or conference since the last CENNZ conference (usually one year)

Exclusion criteria:

Posters created more than a year since the last CENNZ conference

Application:

1. Submit a Word version (.doc or .docx) of the abstract via the [conference organiser](#), plus
2. Submit a pdf version of the poster to the [conference organiser](#) to show on the CENNZ website, and
3. Bring the printed poster to the conference to display it

Award decision:

The conference organising team will review all submissions and the award will be decided according to any of the following:

- Quality of subject
- Quality of write up
- Opportunity to make a difference to patients
- Opportunity to make a difference to the family and whānau
- Opportunity to make a difference to the ED team

Award:

Determined by the conference organising committee
