“Pawis Hilir: The Journey to Becoming an ECD Friendly Village”

By : Nurman Siagian & Jesicca Chlaudia

ARNEC CONFERENCE-Cambodia, March 2017

Pawis Hilir before the intervention

1. Many children were malnourished as parents stopped bringing their children to IHC after the 9th month immunization
2. Children as young as four were forced to enter primary school because there was no ECCE center for parents to access
3. Teacher absenteeism in primary school was high
4. Parents brought their children to farm work
5. Students reached grades 5 & 6 unable to read with comprehension
6. Adolescents and youth engage in early marriage
7. No one has reached college level in the village

**The Village Leader sign the
Child Friendly Village Agreement**

**One of Integrated Health
Center activity**

**Pawis Hilir Children

	2015

CHILD PROTECTION VILLAGE REGULATION CONTENT

Wahana Visi
Indonesia

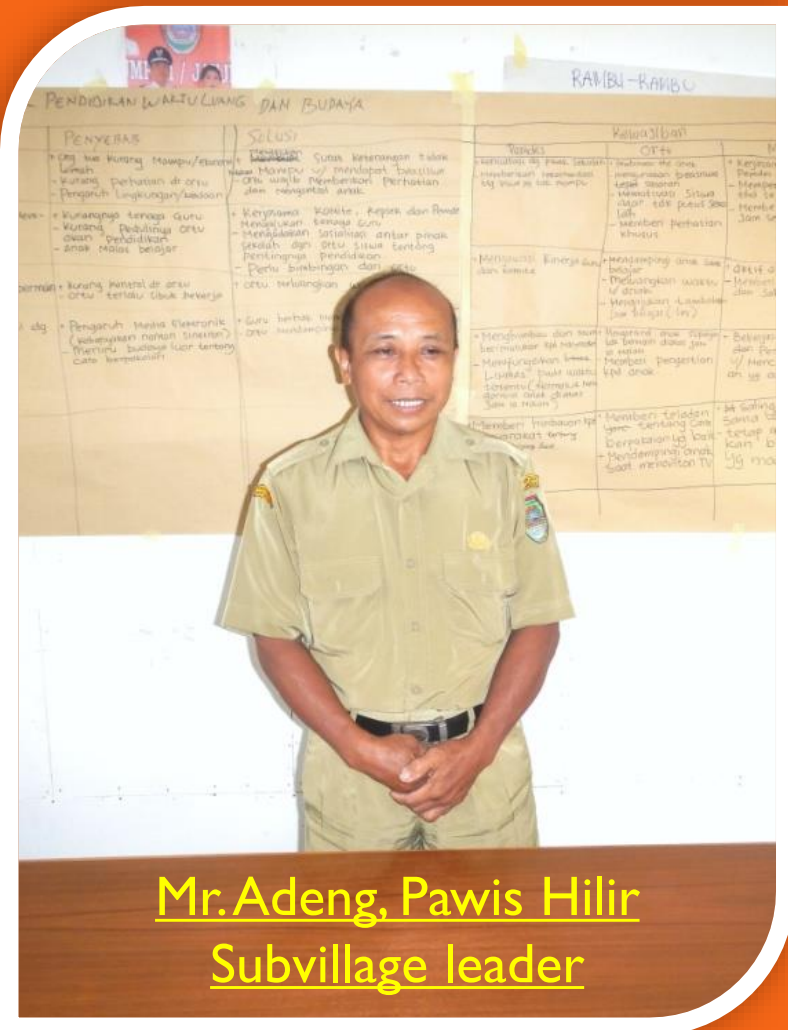

- 30% of village development budget are allocated to develop a Child Friendly Village
- Children below 6 years old must be taken to *POSYANDU* (Integrated Health Center) and ECCE center
- Each child is required to have a birth certificate
- Parental learning is promoted after school hours
- Children are protected from the practice of violence of physical, verbal, exploitation, and trafficking and neglecting including banning early marriage of the children
- Others

Anecdote from community

“My niece was angry with her children, she took the the wood to hit her children, I said don’t! We cannot teach our children with violence. And yesterday there were some parents came to me, asking for help for their children marriage plan. His children is still in Junior high school. And I forbid him, I rejected his request to involve in her children marriage. And then he stopped, and his children continue her school.”

Mr. Adeng, Pawis Hilir
Subvillage leader

Pawis Hilir after the Intervention

- Early / child marriage decreased (Child Protection)
- Reports of parents no longer sending their children to buy cigarettes, and helping them study for minimum of two hours a day
- Midwife is now living in the village and reported to frequently visit the IHC and reports of no malnourished children in the village
- A few college graduates have chosen to become ECD teachers
- Teachers absenteeism is decreasing
- Pawis Hilir became one of the 4 village pilots for the Community Based Child Protection in West Kalimantan Province
- Pawis Hilir village was also recognized by the district government in various competitions and has received priority in the infrastructure programs
- Pawis Hilir has a Child Forum which is supported by the village

Replication

- Stage Of Holistic Integrated ECCD And Child Protection Village Regulation:

Microsoft Excel
Worksheet

- Develop the guideline for another village government to replicate the Child Friendly Village (including HI ECCD)
